Winter Challenge Tally Tracking/Point Scoring

- There will be one virtual event (Virtual Fitness Class) and five in-person events (Volunteering, Fitness Walks, Cycling Tour Ride). The scoring for these events will go into the tally system.
- Points won't directly be scored from each specific event, but instead a "point tracking tally" will be kept for each and will be based on the total number of participants that check in and/or completed the given virtual event.
- The top six companies in each division will receive "tally tracking points." These points will be used as a placement tracking mechanism and not be added to the DMCG Leaderboard.
- See below for virtual event tally tracking points.

Event Tally Tracking	
1st	10 pts
2nd	9 pts
3rd	8 pts
4th	7 pts
5th	6 pts
6th	5 pts
7th+	0 pts

- At the end of the challenge, tally tracking points from all events will be combined, totaled, and scored. The company in each division with the most tally points will receive an award.
- See below for virtual event final scoring.
