WHAT ARE THE CORPORATE GAMES?

The Des Moines Corporate Games is a company competition that offers over 20 sports, events and challenges throughout the Des Moines metro, May-July, 2027. Events are held on evenings and weekends.

Companies are grouped into divisions based on general company size to vie for the Corporate Cup trophies, presented at a special award ceremony. Medals are awarded to the top 3 places in sports/events within each company division.

HEAR FROM OUR PARTICIPANTS!

"Des Moines Corporate Games events are fun opportunities to participate in competitive and non-competitive activities with coworkers. Getting to know them better outside the office is an expected, important benefit of competing in the Des Moines Corporate Games. Additional benefits include meeting people from other companies, participating in community service by packaging meals for Meals from the Heartland and donating blood, and learning new sports like pickleball, bags and golf." - Becky Irmiter, RMH Systems

"We're definitely doing it again. It was good team building, and it provided some variety in the daily workflow. This added a fun opportunity outside of the office. It also allowed us the opportunity to get to know other coworkers that you haven't met in the office!"

- Jake Cunliffe, KCL Engineering

"Corporate Games was the best part of my summer. I did several walks/runs, but trivia and tug of war were first time events for me."

- Margie Livermore, R&R Realty

CORPORATE GAMES GROWTH

The Iowa Corporate Games began in Des Moines in 2015, growing quickly. Through that success, ICG expanded to the Cedar Rapids/Iowa City Corridor, and then further into the Quad Cities in 2021. In 2025, we introduced the concept to the Cedar Valley. This summer, DMCG had 68 companies, and over 12,000 employees participate.

Since 2015, The Des Moines Corporate Games have donated over \$65,000 to local charities. For 2027, we're honored to have Special Olympics Iowa as our charity partner. Special Olympics Iowa is dedicated to providing year-round sports training and competition for individuals with intellectual disabilities.
