

# DES MOINES CORPORATE *GAMES*

## Learn and Earn Webinars

### Eligibility

All participants must be regular employees (full or part-time), interns or retirees of companies registered for the Des Moines Corporate Games.

### General Guidelines

1. These are informational webinars. You may watch each webinar within one week of its respective posting date.
2. Links to view the webinars will be posted on the DMCG website and in the designated weekly email with an end date and time that it must be watched by, in order to earn points
3. In order to earn company points, each participant must register individually using his or her email. The email must be associated with a company so DMCG can track company points. Participants must also list their organization in the required field when registering. If another branch of your organization competes in another Corporate Games (i.e. Corridor Corporate Games or Quad Cities Corporate Games), please list the location of your company. Example: DMCG Shive-Hattery
4. Two different Learn and Earn webinars will be offered, and you may participate and earn company points from both. Participation per company is unlimited

### DMCG Point System

- Participants will be awarded **5** participation points for each webinar attended. No medals will be awarded.
